# All things payments.
# All in one place.

INTEGRATED PAYMENT ACCEPTANCE
POWERED BY PAYA

## Practice management payments just got easier.

As the secure payments engine powering the OrthoMinds platform, Paya manages payment complexity behind the scenes, leaving you more time to focus on growing your orthodontic practice and providing exceptional patient care. Easily bill for appointments, collect payments both from insurance providers and patients, set up auto invoicing for payment plans and manage cash flow all through a single application--OrthoMinds.

Say goodbye to the days of devoting hours to manually monitoring patient payment activity through a separate system and then reporting transactions back into your practice management software. Because Paya is deeply integrated with OrthoMinds, all billing and payment details automatically update when paid. Settlement data is automatically synced daily for easy bank account reconciliation. Your single software login is all you need for an all-in-one payment acceptance solution making OrthoMinds and Paya the most efficient way to manage your practice.

## ACCELERATE TIME TO CASH

Get paid faster and reduce overhead costs by offering customers a convenient payment experience with OrthoMinds powered by Paya.

## PREFERRED PARTNER RATES

Never wonder what you'll pay to accept patient payments. With our interchange plus pricing model pay a set, low rate over interchange with zero gateway fees or middleman markups.

## KEEP PAYMENTS FLOWING

Automate patient billing without storing cardholder data locally using Tokenization. Never miss a payment when credit cards expire with Account Updater.
